Agenda 4: To consider and approve the appropriation of 2024 net profit, dividend payment, and acknowledge the payment of the interim dividend.

Purpose and Rationale:

Regarding to, the Company's dividend payment policy, it is determined that: "The dividend be paid not less than 50 percent of the net profit of the Company described in the separate financial statements after less any relevant taxes and all reserves required by law and the Company." However, there may be some adjustment in case the Board deems necessity. The appropriation of the Company's net profit and the dividend payment must be submitted to the shareholders' meeting for approval. The Board of directors may pay interim dividends to shareholders if the Company has sufficient profit, and will report this in the next shareholders' meeting.

The Board of Directors' Opinion : The Board deems appropriate to approve the dividend payment to 720 million ordinary shares at the rate of Baht 0.18 per share (eighteen satang) totaling of Baht 129,600,000 of which Baht 0.10 per share (ten satang) or equal to 66.60% derived from Company net profit for the year 2024, totaling of Baht 72,000,000 and Baht 0.08 per share (eight satang) amounting to Baht 57,600,000 paid from unappropriated retained earnings and acknowledge the interim dividends paid to 720 million ordinary shares comprising payment NO. 1/ 2024 at the rate of Baht 0.03 per share (three satang) on September 12, 2024 and NO. 2/2024 at the rate of Baht 0.05 per share (three satang) on December 12, 2024, totaling Baht 57.6 million. Therefore, the remaining dividend appropriated to 720 million ordinary shares for this period shall be at the rate of Baht 0.10 per share (ten satang) totaling Baht 72,000,000 which is set to be paid of May 19th, 2025. This dividend is subject to corporate income tax of 20% whereby individual shareholders are entitled to claim tax credit.

The record date for the right of shareholders to receive the dividend is scheduled to be on Friday of May 7th, 2025, and the dividend payment date shall be of May 19th, 2025. The "XD" date (the first day that a buyer can purchase a security and not be entitled to receive the dividend) posted in the Stock Exchange is May 6th, 2025.

"The aforesaid dividend payment shall be proceeded following the approval of the shareholders' meeting"
